BERNARD:
I refit this to the
die I received
on 6-19-15

**GUMOUT® PROFESSIONAL
LIQUID INTAKE CLEANER**

DIRECTIONS:
Follow instructions listed in "Installation Manual".

GUMOUT® PROFESSIONAL LIQUID INTAKE CLEANER

Contains: Petroleum Distillates
(64742-47-5) and 1
sopropyl Alcohol (67-63-0)
Product Code: 4998

DANGER

Highly Flammable! Toxic!

Causes serious eye irritation. May cause cancer. May cause drowsiness or dizziness. May be fatal if swallowed and enters airways. Highly flammable liquid and vapor. Vapors may flash fire. Wash face, hands and exposed skin after handling. Wear eye/face protection. Avoid breathing vapors or spray. Use only in well-ventilated areas. Keep away from heat, sparks, flames and hot surfaces - No Smoking. Store locked up. Use personal protection equipment as required. Keep container tightly closed. Avoid contact with skin, eyes, or clothing. Do not handle until all precautions have been read and understood. Dispose of contents/container to an approved waste disposal plant. Very toxic to aquatic life. Keep out of reach of children. In case of fire use CO2, dry chemical or foam. Read Safety Data Sheet for complete product health and safety information.

FIRST AID

IF EXPOSED or concerned, get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Continue rinsing. If irritation persists get medical attention. IF ON SKIN: Wash skin with soap and water. If irritation persists call a physician. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If symptoms persist call a physician. IF SWALLOWED: DO NOT induce vomiting. Never give anything by mouth to an unconscious person. Call a Poison Control Center or physician.
